“I want to thank Dave for diligently representing the constituents of Surrey-Tynehead for more than 11 years. Dave demonstrated leadership and perseverance by working with government to make his community a better place through accomplishments like an expanded Surrey Memorial Hospital, the new Jim Pattison Outpatient Hospital, the Port Mann Bridge replacement, and new schools to ensure Surrey’s future is bright.

Dave will forever be remembered as one of the hardest working MLAs in the legislature and always put the needs of his constituents at the top of his to-do list. He succeeded at every way in this regard. I wish him and Isabelle and their family all the best as he moves on to the next chapter of his life, knowing that he has accomplished much.”

Premier Christy Clark’s Statement on Dave Hayer’s decision to leave provincial politics.

“Throughout my career on Langley City Council, and as a member of many boards in Metro Vancouver, I have worked with Dave Hayer. He was always a hardworking, dedicated and tireless advocate for his constituents. I wish him well in his efforts to seek the nomination as a Member of Parliament in the new riding serving Surrey and Langley.”

Peter Fassbender

“I have known Dave Hayer for more than 15 years, and have seen him work hard, earnestly, with integrity & honesty to help people in our community. Dave took the issues and concerns of people to heart, and made sure that those concerns were addressed. Throughout his 12 years as MLA for Surrey Tynehead, Dave was tireless in his attendance at meetings and with constituents, whether they were from his constituency, or from those of other MLAs. I know Dave would make an excellent Member of Parliament, and I encourage everyone to support and help him fully in his effort to represent us on the federal government scene.”

Dr. Leo H.T. Wang, D.D.S., M.H.A., former Vice President of Fraser Valley Taiwanese Association and former Director of Taiwan Chamber of Commerce in BC

“I’ve known Dave for years; maybe you do too. But if you don’t, look at his record because he does have one, and it’s all good. Twelve years in the B.C. Legislature already speaks to the direct way he has served the people. He’s straight as an arrow; he knows the community, and he’s been helping people with their problems for years.

There are other candidates competing for the nomination and that’s the way it should be in a democracy.

But with Dave you already know. Please take out a membership and tell him you will support him.”

Benno Friesen, Progressive Conservative MP, Surrey-White Rock, from 1974 to 1993

“I have known Dave Hayer for more than 30 years, and began working with him in the news media. He and I also worked on a number of community projects: developing the Surrey Indo Canadian Business Association in 1992; together as directors on the Surrey Home Support Association during the early 1990s and as Executive Director of Surrey Crime Prevention Society and I recommended that Dave become the President in 1995/96. As a former President of the Surrey Chamber of Commerce (now Board of Trade) I also supported Dave to become the 1996/97 President and we worked together on the Surrey Rotary Club. As President of Green Timbers Heritage Society I approached Dave as the MLA and he was instrumental in getting last 77-acres of forested area of Green Timbers turned over to the City of Surrey.

I also watched Dave Hayer as the MLA to accomplish many other things for Surrey: getting the eight-storey Surrey Memorial Hospital tower built; bringing us the new Jim Patterson Outpatient Hospital; new mental health and addiction facilities; and hundreds of new beds for low income seniors and persons at risk of homelessness..

Dave also encouraged construction on the huge new RCMP E-Division Headquarters and brought us greatly improved highway development such as the new Port Mann Bridge, and other road projects throughout Surrey. He also helped bring about the new Simon Fraser University Campus and Kwantlen’s Trade & Technology Campus in Cloverdale.

Everything Dave does is done with honesty, integrity and complete dedication to making his community, his constituency, his province and his country a better place for everyone. Now Dave Hayer is seeking nomination as a federal Conservative candidate for Cloverdale-Langley City. I urge you to support him, and keep the good works coming.”

Peter Maarsman, community worker and Surrey’s 2003 Citizen of the Year, former President of the Green Timbers Heritage Society, Governor & former President of the Surrey Board of Trade, former Executive director of the Surrey Crime Prevention Society

“I have known Dave for over 15 years and worked alongside him as a colleague in Victoria for 12 years.

Dave is a hard worker and is a tireless advocate for those issues important to people living south of the Fraser.”

Kevin Falcon, former Minister of Finance and Deputy Premier, former MLA Surrey-Cloverdale

“I am a war Veteran and Canadian Legion member for more than 56 years. I am a loyal member of a major community organization which raise money for charities and have held almost every board position with them. I am proud to have worked with this organization to raise \$80,000 for the Food Bank and \$93,948 for Surrey Memorial Hospital as well as raise money for other community charities.

“I have known former Surrey-Tynehead MLA Dave Hayer since the 1980s. I am 89 years old and have always been politically active. I can truly say that I have known no other politician who was as reliable as Dave. When Dave says he will do something to solve a problem he always gets right to it. It’s never an idle promise. In the past I have asked for his help for my neighbors and he did not question who they were, but rather just looked at the issue for what it was. He even helped those who did not reside in his riding. He took the time to meet with different Ministries, and whomever he needed, to get the problem looked at and solved. I know that Dave will always give his best effort and I hope that you will vote and support him. I guarantee that Dave will not let you down. He will be a great asset for the good of all Canadians.”

Ernest (Ernie) Faessler, War Veteran, Legion member, Surrey senior and community supporter

“I have worked with Dave since 2001. His integrity, values and dedication to his constituents have been exemplary. As Caucus Chair, I saw his strong work ethic and willingness to take principled stands on behalf of his community.”

Gordon Hogg, MLA Surrey-White Rock

Dave S. Hayer

Candidate for MP Nomination

**Cloverdale - Langley City Electoral District
Conservative Party of Canada**

“I’ve had the privilege of knowing Dave Hayer both personally and professionally for over 12 years and can say unequivocally that he is one of the most honest, hardworking, dedicated and integral individual I’ve ever met. During Dave’s tenure as an MLA he worked tirelessly to ensure his constituents were listened to and heard. He has been a huge supporter of businesses in Surrey and understands that viable businesses ensure jobs, promote the economy and assist socially.

“Dave is the consummate professional and believes in working to promote the betterment of society which he has proven time and again in his position as an MLA and as a citizen of British Columbia. While we were saddened to see Dave leave provincial politics, we could not be happier that he decided to continue his work in the Federal realm. We wish Dave well in his new endeavor and extend our full support to him, his family and team.”

Tom Jones CEO, The Teal Jones Group

“I have nothing but respect for Dave Hayer. He has proven to be a politician for the people! From his public meetings to his public barbecues, Dave is open to all constituents and is more than willing to do his best to support any endeavours that will benefit the community. As an MLA, Dave was actively helpful with a number of events that my students were involved with and was always supportive of initiatives that they brought to him.”

Bobby Samra, Vice-Principal, Surrey School District

“I have known Dave for over 12 years. His commitment to family and his constituency is beyond reproach. Dave’s genuine caring spirit and sincere interest in the community he represents goes far beyond mere politics. He is accessible and follows through on all issues presented to him. Dave is an asset to everyone he represents. All the best, Dave!”

Debbie Mol, R.N.

My wife and I have been greatly blessed to know Dave, his wife Isabelle and their family for over ten years. We soon discovered their incredible hospitality when invited to one of their many neighborhood guest parties. Dave and Isabelle believe that it is important to live in the community they serve. We consider them our friends and have also observed their family on a personal level as our neighbors for a number of years.

The struggles and tragedies they have experienced as a family enable them to serve their community with a greater empathy and compassion. Dave, Isabelle, and their children all are actively involved in their community and various volunteer organizations. Dave and Isabelle not only believe in, but also live out their strong family values for all to see.

As a local Pastor in Surrey I have personally observed Dave’s willingness to fight for the rights and safety of his constituents and is not afraid to meet head-on the sometimes difficult issues of our society. A family in a local church in Dave’s riding experienced a life-threatening situation in a foreign country. After the church tried unsuccessfully to find them some help through local and federal government agencies I called Dave Hayer who was at the time our BC Liberal MLA for Surrey Tynehead for assistance. I watched both Dave and his wife Isabelle work at times in the middle of the night with both authorities from at home and abroad. In the end the family was returned to Canada safe and sound.

It is my belief that if Dave Hayer is elected to represent Surrey/Cloverdale at the federal level he will do so with integrity, passion, and a love for the people of Canada.

**Rev. Conrad Neudorf, B.R.E., M.T.S.,
Cloverdale resident, Lead Pastor at Bear Creek Church in Surrey BC.**

“Your satisfied former constituents will be joyful to know that you have decided to run as the federal candidate for the new Cloverdale-Langley City riding, and they can vote for you yet again. I’m pleased to know that you will run under the Conservative Party banner.

“During your long term of provincial service you have brought us many great accomplishments, some still in progress. I shall always remember the very special day when the province transferred 77 acres of Green Timbers Nursery property and forest to the City of Surrey.

“I was standing right next to Peter Maarsman, President of Green Timbers Heritage Society, the moment you passed a certificate to Dianne Watts, Mayor of Surrey. May your goals be met and may you see success in your campaign as Member of Parliament.”

Ellen Edwards, current President, Green Timbers Heritage Society

“It has been my sincere pleasure to have known Dave Hayer for well over 12 years and to have the privilege to call him my friend. Dave has been active in community service throughout his life, which is consistent with his lifelong interest in improving our community.

“For three terms Dave was my Surrey-Tynehead MLA who not only represented the constituency but all British Columbians in Victoria to ensure that our voices were represented at the Provincial level. He brought a sensitive, articulate, and intelligent voice to government.

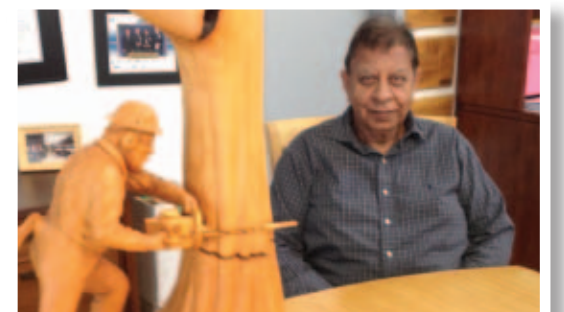

“In my role as a community builder in Surrey; I have found that Dave has always been accessible to discuss the issues with the community that affected their lives. Whether it be health care, education, transportation, infrastructure, the environment or numerous other issues Dave has always been there to listen.

“Dave understands the issues that affect the lives of all of our citizens and I know he is highly qualified to represent us as a Member of Parliament in Ottawa. He has the political experience, character; knowledge and temperament to best serve our community in addition to having the will and ability to forge the broad political consensus that is essential to finding solutions to the most difficult of issues facing our communities.

“Our community and Province is a better place due to the efforts of Dave Hayer. He will be an outstanding

representative for Cloverdale-Langley City.”

Rick Hart, President, Fleetwood Community Association

“For the last 12 years, you have championed our efforts marketing B.C. lumber into the India market and our sales for B.C. lumber has grown in a steady upward curve over the year. We now have FII, our industry association in India, promoting our lumber and our forest industry. Our Federal government is also working on a Free Trade Agreement with India, and lumber is included in the negotiations. Your efforts as an MLA has resulted in jobs in the forest industry and I am positive you will continue to do the same as an MP.

“Dave’s huge support for education has helped Simon Fraser University have better programs for our students. He has also been a great promoter of the student exchange program between Indian and British Columbia universities.

“Lastly, Dave has gone to bat for not only his constituents but all British Columbians to help reduce the prescription drug costs that many of us face each and every day.”

Dave is not only a hard worker, he has integrity & committed to help make the community better. His 12-year record as an MLA is proof of his dedication to service and I know that as a Member of Parliament he will leave no stone unturned for the benefit of residents of the new Cloverdale – Langley City constituency.

“Dave always listens to his constituents and will be relentless in fighting for their rights and services. I am confident that he will work very hard for his constituents as a Conservative Member of Parliament for Cloverdale - Langley City Electoral district.

Jack Uppal, President, Goldwood Industries Ltd., Community Leader

“Surrey’s loss of Dave Hayer, on the provincial scene will be offset by his contribution to Canada as a whole. His broad experience and ability to see all points of view will be of great value in presenting BC’s position on National affairs and will ensure equitable treatment for our province.

“In my tenure on the Board of Surrey Memorial Hospital, Dave was instrumental in working with the provincial government and helping present Surrey’s case for the building of the Children’s Centre and latterly, the magnificent Emergency Critical Care Tower to Surrey Memorial. Dave also helped deliver the new Jim Pattison Outpatient Hospital, the new SFU Surrey Campus and a \$10 million contribution to Surrey’s City Centre Library.

“Dave is fortunate to have a strong supportive family, led by his wife Isabelle. Dave’s father Tara Singh Hayer was assassinated for his stand against terrorism. The Hayer family has given much to our country and community. My family and I have the greatest respect for Dave and his family.

Dave and his wife Isabelle Martinez Hayer, during a recent visit to Europe, toured a number of historic Canadian war memorials commemorating the heroic contributions of brave Canadians during the two world wars and to pay their respects to the many who fought and died there.

They visited the Flanders Fields Museum from the Great War of 1914-18 created in honour of the Battle of Ieper (Ypres). During the tour they also paid homage at the grave of Canadian John McCrae who wrote the epic poem “In Flanders Fields”.

Dave and Isabelle also went to the Battle of Vimy Ridge memorial of the First World War and visited the Juno Beach Museum commemorating Canada’s actions in WW II and the landing at Juno Beach (June 6th, 1944)

Dave’s father served in the Indian Army, while Isabelle’s father was a World War II veteran and both of Dave’s grandfathers-in-law served during the First World War.

Dave has also visited South Korea’s Demilitarized Zone and visited its museum commemorating the Korean War (1950-1953) to pay his respects to the 26,000 Canadians who participated in that war, and especially to the 516 Canadians who died during that conflict.

Dave S. Hayer

Candidate for MP Nomination
Cloverdale - Langley City Electoral District
Conservative Party of Canada

“WORKING FOR YOU WITH HONESTY & INTEGRITY”

Dave S. Hayer was an MLA for 12 years, from May 2001 to May 2013, the Parliamentary Secretary for Multiculturalism and Immigration from 2005 -2011. Over the past few years Dave had been approached many times, by many people, to seek a seat as a Member of Parliament. Dave considered those suggestions carefully and, after having discussed this with family, friends and community members, decided to pursue the nomination as an MP candidate in the new Cloverdale – Langley City riding for the Conservative Party of Canada in the next federal election.

Grandparents & Families; and will continue to advocate for small business and strong economic growth, job creation, healthcare, education, balanced budget and long-term prosperity for everyone. I will always be accessible to constituents to hear their concerns and suggestions."

He has a solid background of service, a tremendous record of accomplishments for Surrey as an MLA, and a very impressive record as a strong business and community worker. Dave was always accessible to constituents.

He was first elected the MLA for Surrey-Tynehead in May, 2001 following a candidate nomination win in 2000 over Surrey's then-Mayor Doug McCallum. Dave went on to success in subsequent provincial elections in 2005 and 2009. As an MLA, Dave was Parliamentary Secretary for Multiculturalism and Immigration from 2005 -2011, where he worked closely with the Attorney General of British Columbia and many other Ministers. Dave also served as Chair of the Surrey Caucus, Caucus Liaison with many Ministers, vice-chair of the Caucus Committee for Asian Economic Development, member of many Cabinet Committees.

Dave was voted 'Most Seen Around Town', Reader's Choice Award in November 2013 by the Leader Newspaper for Surrey – North Delta. Dave is recipient of the Rotary International's Paul Harris Fellow award in "recognition of exceptional service to the community and to the world". In 2002 Dave was a recipient of Her Majesty Queen Elizabeth II's Golden Jubilee medal, and on February 10th 2013 Dave was presented with a Diamond Jubilee Medal by the Canadian Coalition Against Terror (C-CAT) for his contribution to the advancement of sound public policy on terrorism issues in Canada. In 2008 Dave was selected by the Vancouver Sun as

one of the top 100 most influential Canadians of South Asian descent making a difference in BC.

In 2007, Dave received a prestigious award from the Government of India. The Pravasi Bharatia Samman Award is annually given to people of Indian heritage, no longer living in India, who have achieved excellence in their chosen fields of endeavor. Dave was presented with the award by the President of India, Dr. A.P.J. Abdul Kalam, in New Delhi, India on January 9, 2007 for his active leadership in the community, his contributions to public service, for his achievements in government and for having been a strong voice in the Canadian community against terrorism and violence.

Before his election to public office, Dave was a Surrey businessperson, Accountant, Assistant Publisher of the Indo-Canadian Times, Kwantlen University Governor, real estate agent, and worked in the restaurant, newspaper, construction, transportation, finance and forestry industries. Dave also has worked as labourer in the Steel Factory and during his teenage years worked on farms, in greenhouses, in a grocery store and delivered both the Vancouver Sun and the Province Newspapers.

Dave announced on July 7, 2012 that he would not be seeking re-election as a Surrey MLA in the May 2013 Provincial Election. "Part of that decision was that if re-elected as MLA in May 2013, and then leave to run as an MP in 2015, it would have triggered an expensive by-election which would be costly for my constituents & that would have been the wrong thing to do for my community," noted Dave.

Dave noted "I will continue to work to recognize in our justice system the rights of victims, their families and for the rights for all law-abiding Canadians; I will continue to support Seniors,
